AfPA Reconciliation Week Newsletter Update

This National Reconciliation Week (May 27th – June 3rd) the Australian Flexible Pavement Association supports calls to ‘Be Brave and Make Change’. The week offers us the opportunity to learn about the histories, cultures, and achievements of Aboriginal and Torres Strait Islander peoples and to explore how each of us can contribute to achieving reconciliation.

AfPA acknowledges the Aboriginal and Torres Strait Islander peoples are Australia’s First Peoples and the Traditional Owners of the land where we work and live. We celebrate that this is the oldest continuous living culture in the world.

AfPA is committed to facilitating reconciliation throughout its operations, with diversity and inclusion being one of its key strategic objectives. AfPA works through its policies and education initiatives to continuously promote a more equitable and diverse workforce.

As part of Australia’s Reconciliation Week, AfPA wishes to highlight some of the Government initiatives and resources designed for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia:
